

# HAVE YOU BOOKED YOUR HOLIDAY PARTY YET?

Oh the weather outside is frightful,  
But the holidays are so delightful,  
And if you've no place to go,  
Let us know! Let us know! Let us know!

If last year's party was boring,  
And you want this year's to be roaring,  
We'll create all the glitter and glow,  
If you bring guests decked head to toe!

Downtown Glendale will be smashing,  
With millions of twinkle lights flashing,  
And if you've no place go,  
Let us know! Let us know! Let us know!

Our event space is quickly filling,  
We'll be ready if you are willing,  
So call us today if you know,  
There is no better place to go!
