

# PROTECT YOUR NEIGHBORHOOD AND PROPERTY

## Vacant Homes and Rental Property

*What you need to know to protect your neighborhood and your property*

**7 – 9 p.m. Monday, September 8**  
**Glendale City Council Chambers**  
**5850 W. Glendale Ave.**

Vacant properties and rental homes have become a huge challenge for our community. In most cases, problems could have been minimized or prevented entirely if property owners and citizens were aware of what was happening, what to look for and what to do.

In an effort to help inform, educate and empower its residents on these issues, the Glendale Police Department is hosting a free vacant homes and rental property forum.

Preregistration required as seating is limited.
