

## SCHEDULES

The budget schedules summarize the City's financial activities in a comprehensive, numeric format. They are intended to give the reader a glance at the city's financial situation. *Schedule 1* is the most comprehensive schedule, offering a summary of all pertinent financial information for all the City's funds. The reader can readily determine the starting and ending fund balances, transfers in and out, revenues and operating, capital and debt service expenditures for each fund.

The remaining schedules provide in-depth detail of budgetary information which is necessary for the smooth operation of the city. All the schedules serve as handy reference materials to City of Glendale employees and to the public.
