CITY OF GLENDALE, ARIZONA

BUILDING SAFETY DEPARTMENT - COMMUNITY DEVELOPMENT GROUP

SPECIAL ELECTRICAL INSPECTION CERTIFICATE

Project Name		*Date*
Project Address	*Permit Number*	*DSC Number*

☐ CERTIFICATE OF SPECIAL INSPECTION BY OWNER

(To be filled in and signed by owner before permit is issued)

In accordance with the City of Glendale amendments to Article 90.2(A) of the 2005 National Electrical Code, which requires that the execution of certain electrical construction work be placed under the inspection of the Engineer, or Special Inspector employed by me, I certify that the electrical portion of construction of the above-described building project will receive special inspection.

Name of Architect of record	*Contractor*
Name of Electrical Engineer	*Signature of Owner or Legal Agent*

☐ SPECIAL INSPECTION RESPONSIBILITY CERTIFICATE

(To be filled in and sealed before building permit is issued.)

I certify that I am familiar with the electrical design of the above-named project and, in accordance with the City of Glendale amendments to Article 90.2(A) of the 2005 National Electrical Code, I hereby assume full responsibility for carrying out the required special inspections. Inspection reports will be filed with the Building Safety Department, as required by 2006 International Building Code Section 109.3.9.1. The following individual(s) will be special field inspectors under my direct supervision and are to be on the job site to render full, complete and competent inspection.

The special field inspector(s) are to be named below before work under their area of duty commences.

Engineer Responsible for Special Inspection (type or print)

Name of Inspector (Ground Fault Protection)	***Name of Inspector (Other, Specify)***
Name of Inspector (Equipment 1000 amps or more)	
Name of Inspector (Emergency and Stand-by Systems)	

SPECIAL INSPECTOR QUALIFICATIONS [IBC SEC 109.3.9.1] ARE APPROVED.

Building Official *Date*

☐ CERTIFICATE OF COMPLIANCE

(To be filled in and sealed before certificate of occupancy is issued.)

The construction of the above named project is substantially complete.

I certify that, to the best of my knowledge, the requirements of the approved plans for which special inspection is required and 2006 International Building Code Section 109.3.9.1 have been complied with. A guarantee that the Contractor has necessarily fulfilled the obligations of his contract is neither intended or implied.

Engineer Responsible for Special Inspection (Type or Print)
