

# Solid Waste Services

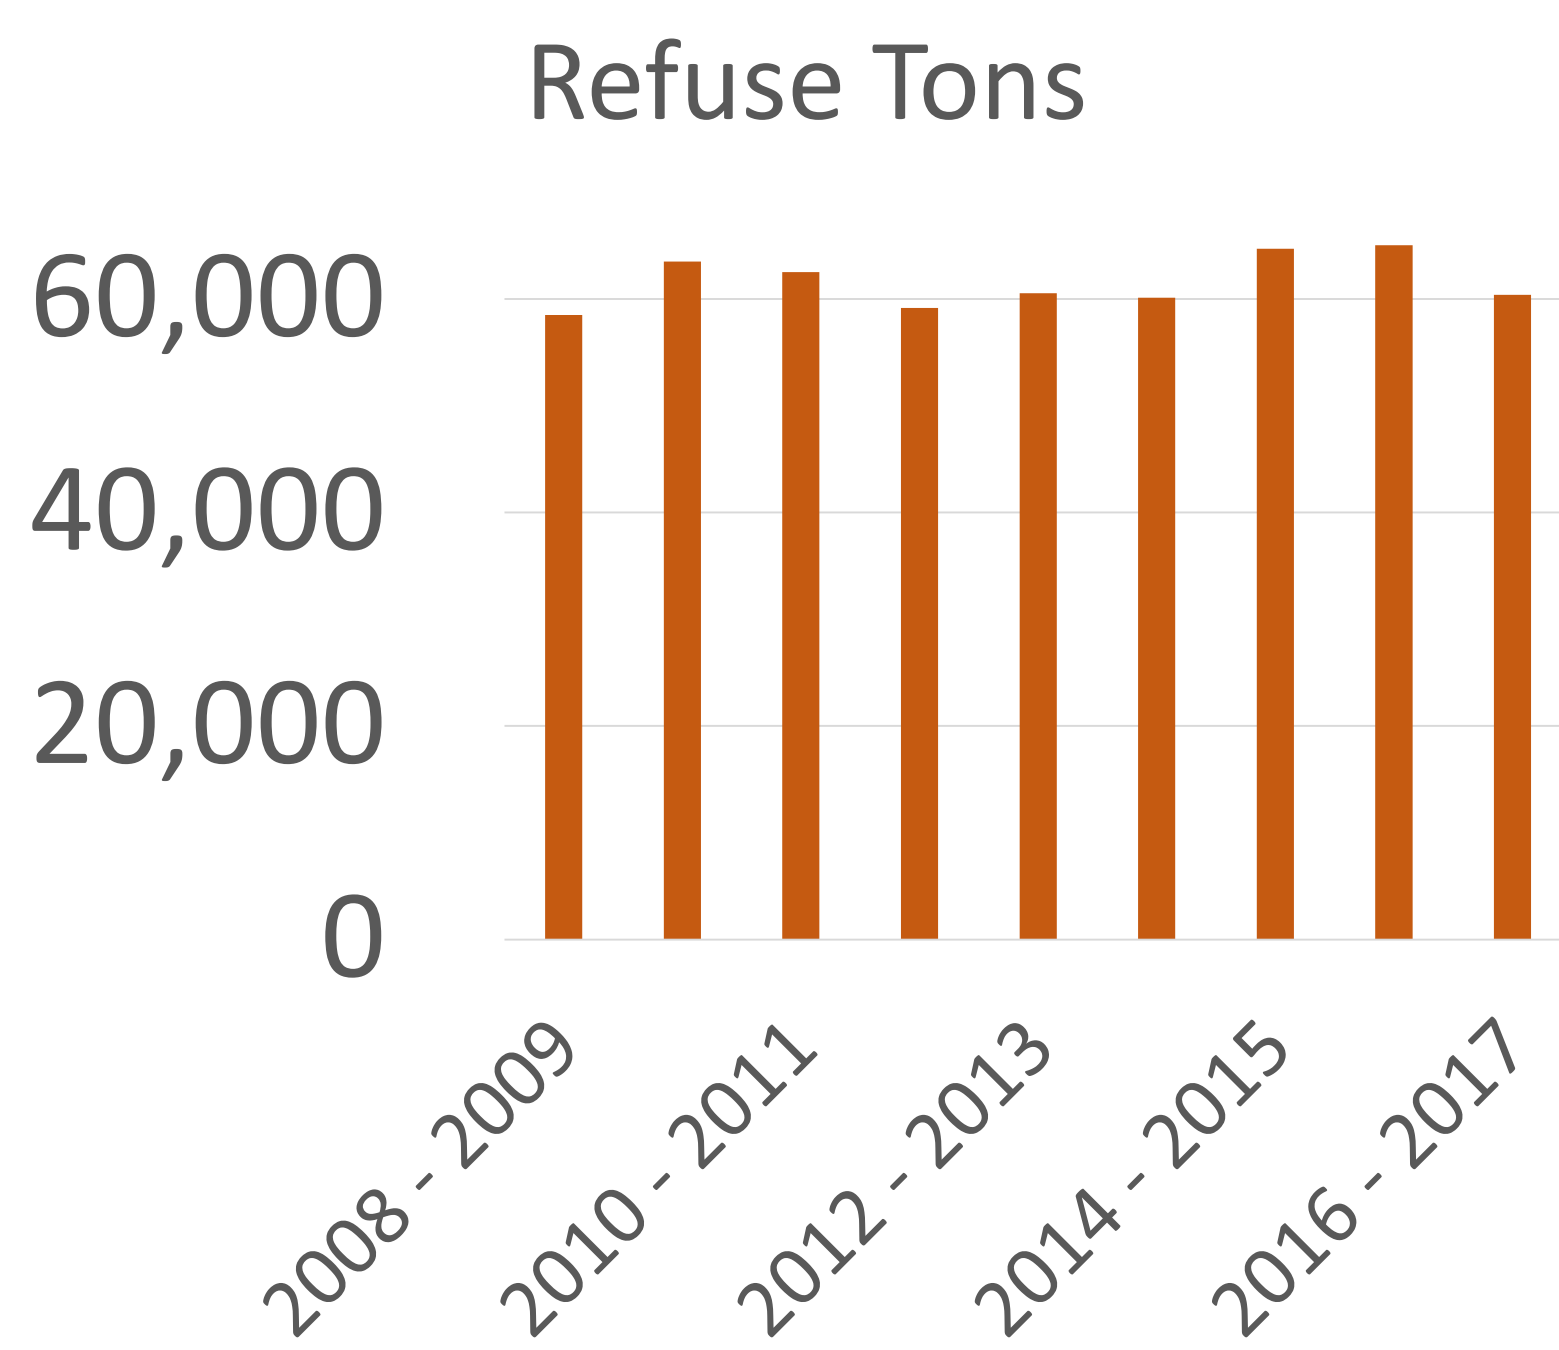

## What We Do

### Refuse Collection

- Weekly curbside and alley collection
- Transport over 60,000 tons per year to the landfill for disposal

### Container Replacement

- Deliver containers to new residents
- Replace broken containers through residential requests or from inspection audits
- Replacements are provided at no additional charge to residents

### Recycling Collection

- Weekly curbside collection
- Transport over 13,000 tons per year to recycling facility for processing
