

City of Glendale Stimulus Funding, September 2009

American Recovery and Reinvestment Act Funding

	Project Type	Overview	Description	Amount	Awarded
	Maricopa county 2009 Local Justice Assistance Grant	The purpose of this project is to purchase new software for the Police Department's CAD (Computer Aided Dispatch) and RMS (Records Management System).	Items included in this replacement package would include modules for booking, records management, dispatch, field reporting, property and evidence management and crime analysis. This funding will enhance the current system to allow accessibility of system via the internet and will enhance the police dispatch center backup abilities.	\$740,863	Yes
	STOP Violence Against Women, Governor's Office for Children and Families	This purpose of this project is to provide funding for the Police Department in combating Violence Against Women	The STOP Violence Against Women grant provides systematic and sustained focus on permanent system changes within the state's criminal justice system, while simultaneously developing a comprehensive network of domestic violence and sexual assault victim service advocates and programs throughout Arizona's communities.	\$136,960	Yes
	COPS Hiring Recovery Program, U.S. Department of Justice	On April 8, 2009, the City of Glendale Police Department applied for funds to hire 5 new police officers for Glendale.	In the first round of grant awards, Glendale did not receive funding for this grant, but may receive an award in a second round of funding.	\$1,282,615	No
	Transportation Funding, Arizona Department of Transportation		☑In addition to \$9.25 million in ARRA funding that will be used by the Arizona Department of Transportation to widen the 75th Avenue Bridge over the Loop 101, the City's Department of Transportation has received \$6,058,413 million in additional ARRA funds for a variety of improvements to Glendale's transportation system.	\$6,058,413	Yes
	CDBG-R, U.S. Department of Housing and Urban Development	Glendale received \$597,820 in additional "CDBG-R" funds this spring/summer.	Programs included a Visual Improvement Program, Floralcroft Neighborhood Right-Of-Way Improvements, Valley of the Sun School and Habilitation Center, and new appliances for the Lamar Public Housing Complex.	\$597,820	Yes
	Homeless Prevention and Rapid Re-Housing, U.S. Department of Housing Urban Development	☑The Homelessness Prevention and Rapid Re-Housing Program will provide financial assistance and services to prevent individuals and families from becoming homeless and help those who are experiencing homelessness to be quickly re-housed and stabilized.	The funds under this program are intended to target individuals and families who would be homeless but for this assistance. The funds will provide for a variety of assistance, including: short-term or medium-term rental assistance and housing relocation and stabilization services, including such activities as mediation, credit counseling, security or utility deposits, utility payments, moving cost assistance, and case management.	\$914,122	Yes

	Capital Fund for Public Housing, U.S. Department of Housing and Urban Development		The Capital Fund provides funds, annually, to Public Housing Agencies (PHAs) for the development, financing, and modernization of public housing developments and for management improvements.	\$465,000	No (may be awarded sometime in the future)
	Energy Efficiency and Conservation Block Grant (EECBG), U.S. Department of Energy	The city of Glendale has applied for a three-year Energy Efficiency and Conservation Block Grant.	The goals of this Recovery Act grant are to improve energy efficiency, reduce greenhouse gas emissions to improve air quality, increase public awareness of the importance of conserving energy, and stimulate the economy by incorporating new job creation or retention of existing jobs. Grant funds must be used to develop and implement short and long range strategies and programs that specifically address the grant goals. All projects must start within 4 months of the award, be completed in three years or less, and provide energy-related employment opportunities.	\$2,340,000	NO, not yet but will be awarded sometime this fall
Stimulus Funding that is Not ARRA Related					
	Neighborhood Stabilization Program, U.S. Department of Housing and Urban Development	The Neighborhood Stabilization Program funds will be used to acquire and rehabilitate foreclosed homes and abandoned homes, provide financial assistance to qualified individuals and families for the purchase of foreclosed homes, and to develop quality rental housing opportunities for seniors.		\$6,100,000	Yes
				Total Funding Applied For:	\$18,635,793
				Total Funding Awarded:	\$14,548,178
