63rd Ave. & Mountain View Rd.**

Features both competitive and recreation divisions
with rules to accommodate both the competitive
and recreational player.

DIVISIONS

COMPETITIVE: This division is for the serious player and has no pitching speed restrictions. Participants may use aluminum Wiffle Ball bats (teams must use their own bats in this division). Pitchers are permitted to scuff the ball; however, both teams will be given the opportunity to use the same ball during the game.

RECREATIONAL: This division is for the player who wants to play the game the way it was played while growing up. In this division, players will use moderate pitching speeds and the plastic Wiffle Ball bats provided. Teams will not be permitted to scuff the game ball.

\$75 per team

**Registration Deadline:
Tuesday, October 20, 2009**

Round-robin play is followed by a single-elimination tournament in both divisions. All teams guaranteed four scheduled games. All teams receive four quality, tournament t-shirts. Glendale Parks and Recreation will provide game balls for all games. The number of teams registered in each division will determine award packages.
