

2018 Bulk Trash Collection Schedule

Your collection week will be:

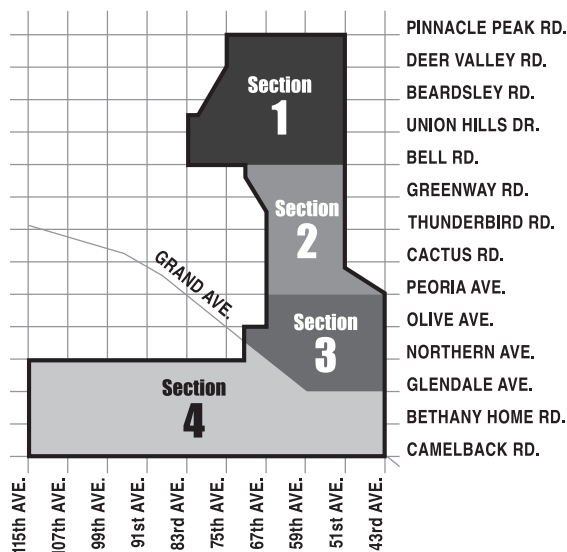

Section 1	Section 2	Section 3	Section 4
Week of Aug. 6	Week of Aug. 13	Week of Aug. 20	Week of Aug. 27
Week of Sept. 3	Week of Sept. 10	Week of Sept. 17	Week of Sept. 24
Week of Oct. 1	Week of Oct. 8	Week of Oct. 15	Week of Oct. 22
Week of Nov. 5	Week of Nov. 12	Week of Nov. 19	Week of Nov. 26
Week of Dec. 3	Week of Dec. 10	Week of Dec. 17	Week of Dec. 24

Items must be ready for collection no later than Monday at 6 a.m. the week of your collection.

Residents may place bulk trash out no earlier than the Thursday before your scheduled service week (ex: Thursday, August 2 for Monday, August 6) and no later than 6 a.m. the Monday of your scheduled service week. This gives you four days to place bulk trash out prior to your scheduled service week.

Failure to Follow Bulk Trash Rules Will Result in a Fine.

If a bulk trash pile is placed out prior to and/or after your scheduled service week, is placed incorrectly, or access is blocked or causes crews to perform collection other than by the normal method, you will be charged a fine of \$99, which will be automatically added to your monthly utility bill.

Four Reasons to Ditch Your Lawn Mower FOREVER

- 1) Get a Rebate** – residential customers can receive a rebate from \$150 to \$750 depending on the amount of grass converted to a desert-friendly yard.
- 2) Save Water** – grass uses 2/3 more water than a desert-adapted yard.
- 3) Save Money** – native plants require no mowing and less maintenance than a grass lawn.
- 4) Add Pizazz** – Arizona-friendly plants come in a range of colors and textures.

A Message from Mayor Jerry P. Weiers

Mayor's Youth Advisory Commission Applications Open Until August 17, 2018

Applications for the 2018/2019 Mayor's Youth Advisory Commission (MYAC) are being accepted. MYAC is a group of high school students that are dedicated to improving their City. It gives the participants the opportunity to make new friends and get involved in their community.

Students must live within the municipal boundaries of Glendale or attend High School within the municipal boundaries in Glendale. The commission will volunteer for several projects that I have started and directly impact our community and will also support other Glendale initiatives. Events like Stand Up for Veterans, The Annual Shriner's Bowling Palooza, Glendale Council District Meetings and the Hometown Christmas Parade to name a few.

Members of MYAC also attend my Annual State of the City Address as guests. During the event, the group will take part in fundraising to help support their Holiday Angel giving program for needy families and other year-round initiatives. Membership is capped at 40 students and members are appointed by me. We strive to have a diverse group that is representative of our community.

Members are invited to serve throughout their entire high school career and include public, private and home-schooled students.

I am so proud of what MYAC has been able to accomplish over the past 6 years and look forward to meeting and working with the new leaders that will be joining the commission this year. To learn more and complete the application visit: <https://www.glendaleaz.com/Mayor/myac.cfm>

As always, you can reach me at 623-930-2260 or mayorweiers@glendaleaz.com. You can also follow me on Twitter (@MayorWeiers), and YouTube ([youtube.com/MayorWeiers](https://www.youtube.com/MayorWeiers)).

Keep Yourself, Pets Safe When Outdoors in the Heat

July and August may be considered the Dog Days of Summer, but in Arizona, dogs (and many times people) should not be outside in the heat of the day. Glendale officials want to remind residents to stay safe and protect themselves from the potentially deadly heat this summer.

INFO: www.glendaleaz.com/safesummer

Important information to keep in mind this time of year to avoid heat-related illness:

- Increase fluid intake, regardless of activity level
- Limit exercise/outdoor activity 11 a.m. - 3 p.m.
- Wear a hat, loose-fitting, lightweight clothing and sunglasses
- Rest frequently in shaded areas to recover and cool down
- Never leave infants, children or pets inside a parked vehicle

This is especially important for hiking enthusiasts who may be out at Thunderbird Conservation Park or other Glendale trails; heat-related tips specific to hiking include:

- Drink 1-2 liters of water per hour while hiking (1 L = approx. 34 oz.)
- When half of your water is gone, it's time to turn around and go back
- Avoid bringing your dog on the trails during the summer
- Choose a trail that is within your ability. Check out the trail rating system online: www.glendaleaz.com/parksandrecreation/trails.
