## A Message from Mayor Jerry Weiers

### From the Heart Grant Program Celebrates 21 Years

As many of you know, each month you have the ability to make a \$2 donation in your monthly utility bill payment. Your contributions help provide critical services to our most vulnerable residents through the City of Glendale's "From the Heart" grant program.

Donations are collected the year prior to disbursement and grants provided through the program range from \$2,500 to \$20,000. Over the past 21 years your contributions have exceeded \$2.5 million dollars. Thank you for that. As your Mayor, I am proud of what we have been able to do thus far.

I know we can do more to help make a positive difference in the lives of those in need. In 2017, with support from your generous donations, a total of \$132,000 was given back to our community.

Organizations like Boys and Girls Club, YWCA, Homeless Youth Connection and Phoenix Rescue Mission have benefited from this program in the past. Eligible agencies are required to provide services to Glendale residents that address urgent needs, strengthen families and promote the positive development of youth.

If you are able to, I ask you to consider a donation and please "Open Your Heart" to help fellow Glendale residents. Help us make an even bigger impact.

As always, you can reach me at 623-930-2260 or [mayorweiers@glendaleaz.com](mailto:mayorweiers@glendaleaz.com). You can also follow me on Twitter (@MayorWeiers), and YouTube ([youtube.com/MayorWeiers](https://www.youtube.com/MayorWeiers)).

In your service,  
Jerry P. Weiers, Mayor

## Libraries Rock! Summer Reading Returns to Glendale Public Library June 1 – August 1

Glendale Public Library is proud to present Summer Reading 2018: Libraries Rock! ## Understanding Monthly Sewer Charges

You may notice a change in the monthly sewer fee in your water bill each May. For most customers, this fee does not change. For some, the fee may decrease and for some, the fee may increase. This happens because every year the City of Glendale re-calculates customer's sewer usage based on their water use billed in the months of January, February and March. If you are aware of high water use during any of these three months that may be due to a water leak or outside watering, you may be eligible for an adjustment of this fee. To seek an adjustment, you must file a Sewer Appeal with our Customer Service Department.

Forms can be found on our website at [GlendaleAZ.com/Utilities](http://GlendaleAZ.com/Utilities). Appeals are accepted for a period of 90 days after the May billing.

### Examples of typical sewer appeals are of the following nature:

- Any leak which affected your January, February or March bills
- The filling of a new pool or the draining and refilling of an existing pool which affected your January, February or March bills
- Outdoor watering during the winter months typically associated with larger than normal landscaping (this type of appeal is typically valid for three years)

New residents or customers who do not have a full three months' winter water usage, will be assigned usage based on the average of all customers with a similar type of property. Please call our Customer Service Office at 623-930-3190 with additional questions.
