

2019 Bulk Trash Collection Schedule

Your collection week will be:

Section 1	Section 2	Section 3	Section 4
Week of Aug 5	Week of Aug 12	Week of Aug 19	Week of Aug 26
Week of Sept 2	Week of Sept 9	Week of Sept 16	Week of Sept 23
Week of Oct 7	Week of Oct 14	Week of Oct 21	Week of Oct 28
Week of Nov 4	Week of Nov 11	Week of Nov 18	Week of Nov 25
Week of Dec 2	Week of Dec 9	Week of Dec 16	Week of Dec 23

Items must be ready for collection no later than Monday at 6 a.m. the week of your collection.

Residents may place bulk trash out no earlier than the Thursday before your scheduled service week (ex: Thursday, August 1 for Monday, August 5) and no later than 6 a.m. the Monday of your scheduled service week. This gives you four days to place bulk trash out prior to your scheduled service week.

Failure to Follow Bulk Trash Rules Will Result in a Fine.

If a bulk trash pile is placed out prior to and/or after your scheduled service week, is placed incorrectly, or access is blocked or causes crews to perform collection other than by the normal method, you will be charged a fine of \$99, which will be automatically added to your monthly utility bill.

A Message from Councilmember Jamie Aldama

Now that summer is upon us and for many it is the start of the swimming season, I want to reiterate what our Glendale Aquatics Division recommends as some simple rules for water safety and tips for healthy swimming.

- Always watch your children around water (even at pools with lifeguards).
- Learn CPR (The Glendale Fire Department offers classes).
- Teach your children (and yourself) how to swim.

Follow the 6 “PLEAs” of Healthy Swimming (direct from the Center for Disease Control website):

- Please do not swim when you have diarrhea. This is especially important for kids in diapers. You can spread germs and make other people sick.
- Please do not swallow pool water. Avoid getting water in your mouth.
- Please practice good hygiene. All City of Glendale Pools require participants to take a shower before swimming. Please wash your hands after using the restroom or changing diapers. Germs on your body may end up in the water.
- Please take your kids for bathroom breaks or check diapers often. Waiting to hear “I have to go” may mean it’s too late.
- Please change diapers and swim suits in the bathroom or changing area and not poolside. Germs can spread to surfaces and objects in and around the pool and spread illness.
- Please wash your child thoroughly (especially the rear end) with soap and water before swimming. Everyone has invisible amounts of fecal matter on their bottoms that end up in pools.

For more information on water safety and swimming programs, please call (623) 930-2838.
