## A Message from Mayor Jerry Weiers

Attention high school aged students who are dedicated to improving our city. Applications for the 2019 – 2020 Mayor's Youth Advisory Commission (MYAC) are currently open through August 23, 2019.

MYAC is a yearlong program that allows members to work with their city government while getting involved in their community. Members volunteer throughout the year at community events that I have started or directly impact our community (events such as Stand Up for Veterans, the

Hometown Christmas Parade and Glendale Councilmember District Meetings). Members of MYAC are also my guests at my Annual State of the City Address.

Membership is capped at 40 students and open to students who live within the municipal boundaries of Glendale OR attend high school within the municipal boundaries of Glendale and we welcome public, private and home-schooled students. We strive to have a diverse group that is representative of our community and MYAC members are invited to serve throughout their entire high school career.

Members meet once a month, typically on the 3rd Thursday of every month, and are expected to complete at least 12 community service hours and 4 fundraising hours throughout the course of the year. MYAC students are provided ample opportunities to sign up at various city events to complete these hours along with their servant leader peers.

I am proud of all MYAC has accomplished over the past 7 years and look forward to working with the new leaders who join this year. To apply or learn more visit <https://www.glendaleaz.com/Mayor> or call 623-930-2260.
