

## 2021 Bulk Trash Collection Schedule

### Your collection week will be:

Section 1	Section 2	Section 3	Section 4
Week of Aug 2	Week of Aug 9	Week of Aug 16	Week of Aug 23
Week of Sept 6	Week of Sept 13	Week of Sept 20	Week of Sept 27
Week of Oct 4	Week of Oct 11	Week of Oct 18	Week of Oct 25
Week of Nov 1	Week of Nov 8	Week of Nov 15	Week of Nov 22
Week of Dec 6	Week of Dec 13	Week of Dec 20	Week of Dec 27

### Items must be ready for collection no later than Monday at 6 a.m. the week of your collection.

Residents may place bulk trash out no earlier than the Thursday before your scheduled service week (ex: Thursday, July 29 for Monday, August 2) and no later than 6 a.m. the Monday of your scheduled service week.

This gives you four days to place bulk trash out prior to your scheduled service week.

### Failure to Follow Bulk Trash Rules Will Result in a Fine.

If a bulk trash pile is placed out prior to and/or after your scheduled service week, is placed incorrectly, or access is blocked or causes crews to perform collection other than by the normal method, you will be charged a fine of \$99, which will be automatically added to your monthly utility bill.

## Free Fall Green Living Class Series

Join the city of Glendale Water Services Department for their fall Green Living Class Series. Save the date for August's virtual classes from 5:30 – 7 p.m.: Building Healthy Desert Soils (Wednesday, August 25) and Desert Hardy and Resilient Landscapes (Tuesday, August 31).  
INFO & REGISTRATION: [glendaleaz.com/waterconservation](http://glendaleaz.com/waterconservation) or 623-930-3535

## Please Don't Feed the Pigeons

A new city ordinance, 25-24(j), prohibits pigeon feeding on public property within the city of Glendale. Pigeons spread disease and mites, dirty our public spaces, displace native birds, and leftover food attracts rats. Learn more at <http://bit.ly/GlendalePigeons>

## Four Reasons to Ditch Your Lawn Mower FOREVER

1) Get a Rebate – residential customers can receive a rebate from \$150 to \$750 depending on the amount of grass converted to a desert-friendly yard. 2) Save Water – grass uses 2/3 more water than a desert-adapted yard. 3) Save Money – native plants require no mowing and less maintenance than a grass lawn. 4) Add Pizazz – Arizona-friendly plants come in a range of colors and textures. ## A Message from Councilmember Joyce Clark

### Pay Attention

It is the middle of our Arizona summer and it is just plain hot. Water activities are especially attractive this time of year. Last year, eleven children under the age of five drowned in Maricopa County. Did you know that nationally, drowning is the

number two cause of death for children one to four years old? Did you know that babies can drown in as little as one to two inches of water? In most cases, child drownings are preventable.

I know every year the media offers reminders and tips to prevent child drownings but having heard them so often we tend to no longer pay attention. **So, once again, here are the three most critical tips for every parent:**

- **Teach your child to swim**
- **Learn CPR**
- **Pool toys, such as noodles, are not acceptable alternatives to a life jacket**

A related situation is child deaths when left in a vehicle unattended. Nationally, fifty-three children died of vehicular heatstroke last year – the most in more than twenty years. **Here are some essential tips to prevent child heatstroke:**

- **Never leave a child in a vehicle unattended – even if the windows are partially open or the engine is running, and the air conditioning is on**
- **Create a reminder system by leaving a personal item such as a purse on the back seat or write a note and leave it in the front passenger seat**

Inattention can be a killer at any age. Please pay attention to the most vulnerable, our children. Don't become just another statistic.

## From the Heart

*From The Heart*

From the Heart puts your donation to work every day to make life better for countless Glendale residents. Whether serving meals to the elderly, giving emergency help to homeless families or supporting abused children, From the Heart gives agencies that provide services to our neighbors a helping hand. Making a donation is easy. Glendale utility customers can add \$2 to their monthly utility bill payments. If you don't receive a utility bill, or you want to donate more than \$2 per month, you can mail or bring a check or money order made out to From the Heart in any dollar amount to:

City of Glendale, Customer Service Office, 5850 W. Glendale Avenue, 1st Floor, Glendale, AZ, 85301.
