If a bulk trash pile is placed out prior to and/or after your scheduled service week, is placed incorrectly, or access is blocked or causes crews to perform collection other than by the normal method, you will be charged a fine of \$99, which will be automatically added to your monthly utility bill.

## A Message from Mayor Jerry P. Weiers

### *Calling High School Students!*

My office has begun accepting membership applications for the 2022-2023 school year of the Mayor's Youth Advisory Commission (MYAC). To be eligible, a student must be attending 9th – 12th grade during the upcoming school year and must live within the municipal boundaries of

Glendale or attend a high school within the municipal boundaries of Glendale. The goal is to maintain diversity that is representative of each Glendale high school as well as private school and home-schooled students. Membership is capped at 40 students, who are appointed by me. The application deadline is Friday, August 12, 2022.

The yearlong MYAC program allows students to be involved in their community while learning about city government, building self-esteem, widening their social circles, and discovering their talents and interests. Meetings are held monthly.

The MYAC members volunteer for group community service activities, raise funds for projects, and provide me with information from a teen's perspective. Some of MYAC's annual community service projects include purchasing Christmas gifts for local children in need, collecting canned goods for a local foodbank, assisting with local charities, and more. Members are expected to complete at least 20 hours of community service annually to remain in good standing.

I look forward to working with everyone who joins this year! To apply or learn more, visit my website at [www.glendaleaz.com/Mayor](http://www.glendaleaz.com/Mayor) or call my office at 623-930-2260.
