A Message from Mayor Jerry P. Weiers

The 10th Annual Hometown Christmas Parade set for Saturday, December 9 is fast approaching and there is still much to be done! This universally popular all-volunteer event is an opportunity to celebrate the true meaning of Christmas while assisting our friends and neighbors in need by facilitating a canned food drive.

Each year, the efforts of parade organizers, sponsors, participants and attendees benefit Hope for Hunger as part of our mission to give back to the community. The Hope for Hunger Food Bank provides emergency food for families in Glendale and parts of Phoenix and Peoria.

Last year, I and other members of the Hometown Christmas Parade Committee presented Hope for Hunger Food Bank representatives with a donation of \$30,000 from proceeds of the 9th annual parade. In addition to the cash donation, we worked with numerous local businesses and parade spectators to collect tens-of-thousands of pounds of nonperishable food donations. These donations are only possible through the dedication of our volunteers and sponsors and the generosity of the Glendale community and beyond.

Currently organizers are looking for sponsors and volunteers as well as accepting applications for parade entries. Entry forms are available at the event website at www.hcparade.org. The parade – now one of Glendale's finest traditions – has grown to include over 100 floats, 1,300 participants and thousands of parade watchers. Please consider becoming a part of this unique and heart-warming effort!

In Your Service,
Jerry P. Weiers

Glendale Collects Cell Phones for America Recycles Day

In celebration of America Recycles Day on November 15, Glendale has developed a special cell phone recycling program, which will run the entire month of November. The public is encouraged to drop off old cell phones at Desert Diamond Arena (Gate 3 on the Northwest corner of the building), Glendale Community College or at any of Glendale's four public libraries. The cell phones will then go to the Glendale Family Advocacy Center to be refurbished and will become available for victims of stalking and domestic violence. It is important to keep cell phones out of landfills. **Drop off locations could change, please visit www.glendaleaz.com or call 623-930-2660 for the most updated information.**
