Date: March 12, 2009

From: Fire Chief Mark Burdick
Deputy Chief Chuck Montgomery

Subject: Glendale Health Center **Now Open**

The purpose of this letter is to inform you and your staff that the City of Glendale Fire Department and the Daisy Mountain Fire District, along with medical partners Strength Training Inc. and Scottsdale Health Care, are pleased to announce the opening of the new Glendale Health Center located at the Glendale Regional Public Safety Training Center. Glendale Health Center is available for physicals for sworn, retired and civilian personnel (if funding permits from the host department). This center is equipped with the latest state-of-the-art equipment and will be offering the same annual physical examination services that have been provided by the Phoenix Fire Health Center. The fee of \$720 is the same as the Phoenix Health Center; the goal is to create a revenue-neutral service. The Glendale Health Center hours of operation are Tuesday through Thursday 8am - 5pm

The scheduling of your members at the new health center for their physicals will be handled directly through the Scottsdale Health Care central scheduling department. For scheduling and records, you may contact Barbara Scott RN. She can be reached at 480-323-4683 or by e-mail at bscott@shc.org. A Fire Department will receive, upon request, a Scottsdale Health Care medical records release form which may be electronically distributed to its personnel. The completed form allows for medical records to be moved from the Phoenix Health Center to the new Glendale Health Center location.

Our goal is to provide a high level of customer service and we would appreciate any feedback that you may have as you pass through our new Center. We thank you for your patience and assistance during our opening period. We look forward to serving your department members. If you have any Health Center questions please contact Deputy Chief Chuck Montgomery in his office at the Glendale Health Center at 623 772-7191 or on his cell 602 478-6254. For Administrative and Billing questions, please contact Candice Tatum, Administrative Manager for the Daisy Mountain Fire District by email at Candice.tatum@daisymountainfire.org, by phone at 623-465-7400 or on her cell at 602-525-6441.
