SECTION 8 AND PUBLIC HOUSING PARTICIPANTS

We Need Your Help with the Agency Plan and the Public Housing 5-Year Capital Fund Update!

Every year, the Glendale Community Housing Division (CHD) updates the HUD-required Agency Plan (“The Plan”). We start this process in October, and any changes become effective July of the following year. The Plan is a collection of our policies for both programs, Section 8 and Public Housing, a comprehensive guide to the goals and strategies for meeting local housing needs, and our Public Housing 5-Year Capital Fund Program Budget. The Plan documents are posted on our website at www.glendaleaz.com.

Part of this process is to get input from the families that receive assistance from the Glendale programs.

We would like to give you the opportunity to assist and make recommendations regarding the development of The Plan, any significant amendment or modification to The Plan, and for Public Housing, the 5-Year Capital Fund Program Budget. **All changes to The Plan must comply with federal program rules and regulations.**

Would You Like to Review the Policy Updates?

One of the ways you can participate in the Plan process is to review the policy updates by serving on the Glendale Housing participant review committee. Serving on this committee will give you the opportunity to help chart the future of Section 8 and Public Housing in Glendale. We want to ensure you are aware of your program rules and regulations and any changes we propose, as well as have the opportunity to assist in the development of The Plan.

If you complete and submit this form, Glendale Housing **will contact you by email only**, in January of each year. We will email a copy of a summary memo with proposed updates, along with an internet link to access the full policies. **Please print your email address clearly.**

While we want to make this as easy as possible for you, **your comments must be in writing.** You can use the space below for that!

You must be in good standing with CHD and your landlord (Section 8 only) in order to participate.

Do you want to serve on the committee? **YES!** **NO**

Would You Like to Just Give Us Your Opinion?

If you cannot serve on the committee, you can still submit your comments and suggestions by using the space below. Return this form to Glendale Community Housing, 6842 N 61st Ave, Glendale AZ 85301, attention Elaine.

If you have any questions, call Elaine at 623-930-3701.

All changes to the Agency Plan must comply with federal program rules and regulations.

Any comments submitted after the close of the public comment period will not be included in the current year process.
