

# PASSENGER NOTICE

---

## FACE COVERINGS REQUIRED

In accordance with City of Glendale Executive Order 20-40, beginning Saturday, June 20, transit passengers are required to wear face coverings to help prevent the spread of COVID-19.

To assist transit passengers who do not have a face covering in their possession, Glendale Transit operators on our Glendale Dial-a-Ride and GUS buses will provide face coverings beginning June 20 (as supplies allow) for riders traveling on our system.

We trust that all riders will comply to the extent they can, acknowledging that wearing a face covering poses unique challenges for some, such as those who should not wear face coverings due to a medical or mental health condition or developmental disability. These individuals, along with children under the age of six, are exempt from this directive. It is not always apparent who has an exemption, so other riders should avoid the temptation to police other passengers who aren't wearing a mask.
