

Fall 2020

# Green Living Series

via **zoom**

*Sponsored by the City of Glendale Water Services Department, Conservation and Sustainable Living Division. In order to attend, you must register for this event and include an email address, so that city staff can contact you with the Zoom login information.*

**Tues. | Sept. 1 | noon to 1:00 p.m.**

## **Lunch & Learn – Save Energy & Water at Home**

A lot of us are spending more time at home and may be noticing an increase in energy and water use. The city of Glendale Water Services Department and SRP are teaming up to provide residents with easy tips on how to save energy, water, and money at home, while promoting comfort and livability. Bonus: Glendale residents that respond to an online survey, after the webinar, will be entered in a random drawing for a chance to win a free smart irrigation timer! **Register at <http://bit.ly/SaveEnergyWater1>**

**Wed. | Sept. 23 | 5:30 to 7:00 p.m.**

## **Vegetable Gardening in the Low-Desert**

There's nothing tastier than fresh vegetables grown from your own garden. The low desert provides gardeners with the opportunity to grow plants year-round. This class will cover site selection, soil preparation, plant selection, and maintenance. **Register at <http://bit.ly/Veg23>**

**Wed. | Oct. 7 | 5:30 to 7:00 p.m.**

## **Composting**

Discover how to turn your kitchen scraps and yard waste into compost – a rich soil amendment. Help Mother Nature with her original recycle system. Learn about the tasks that go into producing and incorporating compost into your garden. **Register at <http://bit.ly/Compost7>**

**Wed. | Oct. 21 | 5:30 to 7:00 p.m.**

## **The Giving Tree: Desert Tree Care**

Trees provide us with so many benefits, from cleaning our air to keeping us cool. Protect our leafy friends by learning about proper tree selection, planting, watering, and pruning. Register at **<http://bit.ly/TreeCare21>**

**Wed. | Nov. 4 | 5:30 to 7:00 p.m.**

## **Plant a Pollinator-Friendly Yard**

Creating pollinator-friendly spaces is becoming increasingly popular as their habitat becomes threatened. Invite pollinators and other beneficial wildlife to your garden by creating a welcoming habitat, which includes food, shelter, water, and nesting opportunities. Register at **<http://bit.ly/Pollinator4>**

**Wed. | Nov. 18 | 5:30 to 7:00 p.m.**

## **Sustainable Landscape Design**

Learn the basic principles of how to create an attractive and Arizona-friendly landscape. Get hands-on experience creating a landscape design that is tailored to your yard by incorporating sun, shade, wind, and water elements. You'll need paper and a pen/pencil to sketch out your yard. **Register at <http://bit.ly/LandDesign18>**
