### CERTIFICATE OF RESPONSIBILITY

To be filled in and signed by the professional in charge of Electrical Special Inspections before a building permit is issued.

As registered design professional in charge of electrical special inspections of the above named project, I certify that I am familiar with the electric design of the project and, In accordance with the City of Glendale amendments to Article 90.2(A)(5) & 90.2(A)(6) of the 2017 National Electrical Code, I hereby assume full responsibility for carrying out the required electrical special inspections. Inspection reports will be filed with the Building Safety Department, as required by the above referenced City amendments.

(Seal, Signature, and Date)

---

### CERTIFICATE OF COMPLIANCE

To be filled in and signed by the professional in charge of Electrical Special Inspections before a certificate of occupancy is issued.

I certify that, to the best of my knowledge, the requirements of the 2017 National Electric Code Article 90.2(A)(5) & 90.2(A)(6) and the approved plans and specifications have been complied with, Insofar as the portion of the work requiring electrical special inspection is concerned. A guarantee that the Contractor has necessarily fulfilled the obligations of this contract is neither intended nor implied.

(Seal, Signature, and Date)
