GLENDALE FIRE DEPARTMENT RESPONDS TO HOUSE FIRE

A passing motorist noticed smoke emitting from a residential home near 68th Avenue and Gardenia this afternoon at about 1:20 p.m. Glendale Firefighters received a 911 call and responded to the residence. Upon arrival, black smoke was coming from the front door and window. Firefighters went inside, searched for occupants and extinguished the fire quickly. Firefighters kept the fire from spreading to the rest of the house and extensive damage occurred in the kitchen. The homeowner indicated they were home when the fire started and then quickly got out.

A family of three is displaced and Glendale Crisis Response was on scene to assist. No injuries reported and the fire cause is being investigated by Glendale Fire.
