## Firefighter Appreciation Day is now being Named Community Appreciation Day for the Glendale Fire Department

**Glendale, Ariz-** The City of Glendale Fire Department is taking the opportunity to thank the community for their support on Firefighter Appreciation Day, by opening a fire station and inviting the public in to have a tour and share a cookie. The fire department will provide cookies and drinks to anyone who would like to come by.

Firefighters will give tours of the trucks and the fire station. Fire Station 157 is in the heart of Glendale just north of GCC. This fire station houses two full-time companies including a Ladder company and an Engine company, which also responds to hazardous materials calls. They are among the busiest companies in the city, but on May 4<sup>th</sup> they will take the opportunity to thank those we serve. We love our citizens and we value them. They have been very supportive of our Glendale Firefighters and we want the opportunity to say Thank you.

Fire station 157 is at 9658 North 59<sup>th</sup> Ave and will be open to the public from 11am-1pm on May 4<sup>th</sup>.
