GLENDALE FIREFIGHTER WINS GOLD, BREAKS RECORDS AT US POLICE AND FIRE CHAMPIONSHIPS

Glendale, Ariz. — At the United States Police and Fire Championships, which took place in San Diego, California, on June 23, Glendale Firefighter Gene Tracy won a gold medal in the push-pull event after setting three national records for his weight class. Firefighter Tracy now holds the record for bench press at 451lbs, deadlift at 661.4lbs and a total combined weight of 1112.4 lbs.

At last year's Arizona Police and Fire Games, Tracy won gold medals for Bench Press (455lbs.), squat (600lbs.), and deadlift (650lbs.).

The athletes who competed at the United States Police & Fire Championships were representing law enforcement, firefighters, and officers from corrections, probation, border protection, immigration and customs from across the country that compete in Olympic-style sports.

A picture of Tracy at the United States Championships is attached.
