Glendale Police Need Help Solving Fatal Hit and Run

Glendale, Ariz. – On Sunday November 11th, 2012 sometime between 2:00 – 3:00 am, 23 yr old John Mangan, a City of Phoenix resident, was struck by a motor vehicle and killed while on foot in the 8700 block of West Camelback Rd in Glendale.

Glendale Police Vehicular Crimes Investigators gathered evidence from the scene, which included damaged vehicle parts. Investigators say one or more of those parts happened to have a serial number stamped into them. After completing research on that evidence, Investigators believe the vehicle which struck and killed Mangan could be a dark blue 2000 or 2001 Dodge Dakota pickup truck. Investigators also believe that the truck sustained noticeable damage to the frontend. (Special attention to auto body shops in the greater Phoenix area that might be currently repairing frontend damage on a Dodge Dakota truck.)

The Glendale Police Department is asking for the community's assistance in solving this crime. If you have any information that might assist Glendale Investigators, no matter how insignificant you might think it is, please call 623 930-3000.
