WEST VALLEY ADVOCACY CENTER TO RECEIVE DONATION

GLENDALE, Ariz. –On March 2, 2010 Fresh and Easy Neighborhood Market presented a donation of food items and gift cards for the Victims Assistance Unit at the West Valley Advocacy Center which is located at 6829 N 57 Avenue in Glendale Arizona.

The West Valley Advocacy Center provides a safe place with a calming environment to start the healing of abused children and adults, insuring that each crime victim receives the immediate attention they need. Crime victims at the center may need a medical examination, forensic interview or counseling services. In addition, the center may provide food, clothing, toiletries and toys such as stuffed animals to those in need.

During the entire month of February, Fresh and Easy customers donated items to the store located at 5802 W Olive Avenue. Employee Liz Chavez coordinated the donation drive; advertising her idea with a “Healing Hearts tree” and having customers who were able to donate sign their names on a heart and hang it on a tree in the store.

Lieutenant Katrina Alberty along with the Victim’s assistance caseworker, employees and volunteers accepted the generous donation at the Fresh and Easy Store on Olive and presented Liz with a certificate of appreciation.
