Glendale Police Department encourages you to “Know Your Limit!”

Glendale, Ariz. – The Glendale Police Department DUI Motor Unit, in conjunction with the Arizona Governor’s Office of Highway Safety and the DUI Abatement Council, will be conducting another of several scheduled “Know Your Limit” events at the Westgate City Center in Glendale, Arizona on **Saturday October 19, 2013 from 10:00 P.M. to 3:00 A.M.**

This educational program is designed to help potentially impaired drivers make informed decisions as to whether or not they are capable of operating a motor vehicle safely. Specially trained DUI Motor Officers will be stationed in the heart of Westgate in front of the fountains with a table, some literature, and several preliminary breath test instruments. Anyone who wishes to “Know your Limit” will be offered the opportunity to submit to a voluntary preliminary breath test. The results will be provided to the volunteer, along with information on fines and jail time if convicted of driving under the influence.

According to Sergeant Rich Stringer, “It is the goal of the Glendale Police Department to keep our citizens as safe as possible as they travel throughout our city.” This educational program offers citizens the opportunity to learn more about alcohol consumption and its effect on their breath alcohol content. We hope that by providing our citizens with a better understanding of their own limits on alcohol consumption that they choose not to drive if they are above the legal limit. Perhaps an even greater benefit will be realized by

those citizens who regularly operate a motor vehicle while impaired, simply because they did not realize how little alcoholic beverage it takes to raise their BAC above the legal limit.

The Glendale Police Department will offer this voluntary educational opportunity several times throughout the year in locations throughout the city limits.
