Glendale Police Seek Help Solving Hit and Run Fatality Accident

GLENDALE, Ariz. – Just before 3am on the morning of June 5th, 2013, a citizen driving in the area of 6300 W. Northern Avenue observed a female down in the roadway and called 911. Glendale Police and Glendale Fire responded to the scene where they located a 34 year old Kourtney Kaiser, in the middle of the roadway with serious trauma to her body. Kourtney later died at the hospital as a result of her injuries.

Glendale Police Vehicular Crimes Investigators gathered evidence and damaged vehicle parts from the scene, to include a driver's side mirror. After completing research on that evidence, Investigators believe the vehicle which may have struck and killed Kourtney was a 2013 Toyota Tundra pickup truck, unknown color.

Glendale Police Detectives still have no leads in this case, and no witnesses have come forward. Detectives are seeking the community's help identifying the vehicle possibly used in this hit and run accident. The Glendale Police Department encourages anyone that has any information on a possible suspect and/or suspect vehicle to call the Glendale Police Department at (623) 930-3000 or Silent Witness at 480-WITNESS.
