Glendale Police Seek Help Solving Kyle Carnell Homicide

GLENDALE, Ariz. – On Thursday, May 21st, 2015, just after 6pm, Glendale Police Officers were called to a residence in the 5800 block of N. 48th Avenue where 43 year old Glendale resident Kyle Carnell was found deceased in his home.

Glendale Police Homicide Detectives assumed the investigation and have been actively working this case gathering information. The investigation revealed that a close acquaintance had been unsuccessfully attempting to contact Kyle by phone throughout the day on the 21st. That acquaintance went to Kyle's home later that evening to check on his welfare and located Kyle deceased in his bedroom. It appears Kyle was deceased as a result of an apparent, sustained gunshot wound. The gunshot wound does not appear to be self-inflicted based on evidence gathered from the scene. The exact time of Kyle's death is unknown at this time. However, the day before Kyle was found deceased, an acquaintance had spoken with Kyle.

The circumstances surrounding Kyle's death are unknown to Glendale Police Detectives. Detectives have not identified any suspects and are seeking the community's help finding the person or persons responsible for Kyle's death. The Glendale Police Department encourages anyone that has any information, no matter how irrelevant it may seem, to please call Glendale Police Detectives at (623) 930-3000 or Silent Witness at 480-WITNESS. See attached photo of Kyle Carnell.
