Glendale Police Obtain New Evidence in Hit and Run Accident

Glendale, Ariz. – On July 16th, 2015, at 8:17 PM, 15 year old Rosario “Bobby” Rodriquez was crossing N. 67th Avenue south of W. Bethany Home Road when he was struck by two vehicles. “Bobby” died from his injuries. Initial information to Police was that the first vehicle that struck “Bobby” was a white, tan, or grey passenger car, which fled the area without stopping. Glendale Police Detectives have obtained new video evidence showing that the first vehicle that hit “Bobby” was a dark colored vehicle, as seen in the attached photos and video.

In the upper right hand corner of the video, you can see “Bobby” and his friend, who split up and go in two different directions. “Bobby” goes out into the street, onto a median, and then starts into northbound lanes where the collision occurs. The make and model of the vehicle is unknown, but witnesses indicated there would likely be some damage to the front hood, grill, or bumper of the dark vehicle. The second vehicle remained on scene and is not outstanding.

Glendale Police are asking for the public’s assistance. We encourage anyone that has any information on the accident, including the vehicle and driver that did not remain at the scene to please contact Glendale Police at 623-930-3000 or Silent Witness at 480-Witness. See attached photos and video.
