Update – Death Investigation at Luke Air Force Base

GLENDALE, Ariz. – Just after 7pm Sunday, September 18, 2011, Glendale Police Officers responded to Luke Air Force Base after Security Forces Personnel located two bodies inside a building on base.

Glendale Homicide Investigators working this case report that the 62 year old male and the 61 yr old female were married and residents of the city of Goodyear. The 62 yr old male was a contract employee at the Air Force Base, who had access to facilities on base property. It's believed he and his wife came onto Air Force Base property sometime Sunday and died within a building that houses the post office.

Glendale Investigators are not looking for any other persons involved at this time. Manner and Method of death are not being released and will be determined through a subsequent examination performed at the Maricopa County Medical Examiner's Office. The identities of the decedents are not being released until proper next-of-kin notification is complete.
