Glendale MidFirst Bank Robbed by Suspect Wearing M/C Helmet

Glendale, Ariz. – On Monday September 17, 2012 at about 10:20am, the MidFirst Bank at 6508 W. Bell Rd was robbed by an armed suspect wearing a full-face motorcycle helmet. The suspect entered the bank with a handgun, approached the teller, demanding money from cash drawers while threatening to kill him. The suspect provided the teller with a black bag to place the cash in. While waiting for the teller to fulfill his demands, he pointed the gun at several other bank employees in a threatening manner. After obtaining an undisclosed amount of US currency, the suspect ran from the bank to a sport style motorcycle and fled the area.

The suspect was wearing a black m/c jacket, a full-face blue / black and silver motorcycle helmet, black jeans, black shoe and black gloves. He was described as having a light complexion, 6'0 – 6'2, weighing approximately 170 lbs. The helmet he was wearing is likely to be an "AFX-FX-96 Blue-Multi Helmet. Although the suspect's face was hidden by the helmet, investigators think the uniqueness of the helmet may assist in identifying him. The color scheme on the suspect's motorcycle may be similar to the helmet he was wearing.

The Glendale Police Department needs the community's assistance in solving this Robbery. If you have any information, you are asked to call 623 930-3000 or Silent Witness at 480-WITNESS.
