SUSPECT ARRESTED FOR SCHOOL BURGLARIES

GLENDALE, Ariz. – A high school in Glendale was targeted by Jordan Seletstewa, an 18 year old Glendale resident 4 times within the last six months. Working with the school resource officer and the principal, detectives learned the school had been burglarized four times between August, 2009 and January, 2010 and were able to determine Jordan was involved. He was arrested Monday, January 11, 2010 after being interviewed by Glendale Police Detectives and admitting to the burglaries.

Jordan took electronic equipment from the school, causing hundreds of dollars in damage while committing the crime. He admitted to detectives that much of the equipment taken was still in his home. Approximately \$6000.00 dollars worth of equipment was recovered for the school. Jordan was charged with theft, criminal damage of a school and burglary.
