## Update – Sexual Assault Suspect Caught on Video

**Glendale, Ariz.** - The Glendale Police Department is still actively searching for and trying to identify the suspect from the sexual assault on a 15 year old female that occurred on September 29, 2013 at a car wash in the area of 5300 N. 59th Ave.

Glendale Police Detectives now have updated information to release since yesterday's press release. Detectives received information and recent additional surveillance video of our suspect. Upon reviewing the video and information received, detectives have confirmed the individual in the surveillance video was indeed our suspect.

The suspect was observed in Phoenix at a Walmart in the area of 3700 E. Thomas Road with another adult male just last night, October 9<sup>th</sup>, 2013, at approximately 10:10pm. The individuals who recognized our suspect immediately attempted to contact security and police. However, the suspect became aware he had been recognized and quickly fled the store with the adult male he was observed with. Phoenix Police responded to the scene, but both our suspect and the adult male had already fled the area.

In the Walmart surveillance video, the sexual assault suspect has not changed in appearance from the initial release. However, when he was observed last night, he was wearing a turquoise polo style shirt, dark jeans and grey canvas shoes.

The adult male he was observed with in Walmart appears to be a Hispanic male, approximately 23 to 27 years old, 6'0" tall, 180 to 190 pounds, with no facial hair. He was wearing a black baseball cap, jeans and a white t-shirt with white and grey horizontal stripes.

Glendale Police Detectives are still actively working this case and have yet to positively identify the suspect. Detectives are continuing to seek the community's help identifying the suspect as well as the adult male he was seen with last night. The Glendale Police Department encourages anyone that has information on the identity of these two individuals to please call Glendale Police at 623-930-3000 or Silent Witness at 480-Witness.

Surveillance video is not available at this time. However, six surveillance photos are being released and will be sent separately to outlets following the press release.
