Glendale Police Need Community's Help in Catching Robbery Suspect

Glendale, Ariz. – Over the past 7 months, there have been four (4) Armed Robberies which have occurred in the City of Glendale involving Valero and 7-11 convenience stores. Detectives believe that all four (4) robberies were committed by the same suspect. The first robbery occurred at the end of March and the most recent on the 17th of November. The suspect is described as a W/M 5'9'' – 6'0'', thin build, with possible brown hair. He always wears a bandana or cloth mask across his face, along with sunglasses and a hat or hooded sweatshirt. In all occurrences, the suspect enters the business either late in the evening or in the very early morning hours. He will approach the clerk, point a semi-auto handgun directly at them, demand the money in all of the cash drawers and then have the employee lie on the ground until after he leaves. At this point there has been no vehicle seen, the suspect arrives and departs on foot.

The Glendale Police Department is asking for the community's assistance in solving this robbery series. If you have any information, please call Silent Witness at 480 WITNESS or call the Glendale Police Department at 623 930-3000. Attached is the Robbery Bulletin which provides a few photos captured during this robbery series.
