RESIDENTS' INPUT SOUGHT ON GLENDALE'S ONBOARD TRANSPORTATION PROGRAM

Glendale, AZ – Residents are invited to attend two upcoming events to get an update on transportation projects included in the Glendale Onboard (GO) Transportation Program. These opportunities will give residents a chance to speak with Glendale transportation representatives, learn more about current and upcoming transportation projects, and provide input on the program.

The first event is a Transportation Fair held in conjunction with the Glendale Family Bike Ride on Saturday, March 27. The Transportation Fair will take place from 7-11 a.m. at the Sahuaro Ranch Park soccer field, 59th Avenue and Mountain View Road.

The second event is the 6th annual GO Program Open House, which will be held from 4:30 to 7:30 pm, Wednesday April 14, at the Glendale Civic Center, 5750 W. Glenn Dr.

Both events will be an open house format, allowing the public to attend at their convenience. Representatives will be on hand to answer questions on such projects as the Light Rail, Grand Avenue, the Northern Parkway/Loop 303 and Grand Canal and New River bicycle paths.

GO Open House
Add 1.1.1

Just over five years ago, Glendale voters approved Proposition 402, which dedicated a half-cent sales tax for transportation improvements and created the city's GO Transportation Program.

To date, GO program efforts have resulted in expanded transit services, enhanced traffic flow and safety on Glendale streets and at intersections, and further developing bicycle and pedestrian facilities throughout the city. Many additional improvements are scheduled for construction during the next several years. These projects will be featured at both public events and in an annual brochure. Residents can also view the brochure, beginning April 1, by visiting the GO program Web site at www.glendaleaz.com/transportation/goprogram.cfm.

For more information on Glendale's transportation program, call 623-930-2940 or visit the city's Web site at www.glendaleaz.com/transportation.
