**GLENDALE, Ariz.** – Residents who rely on bus service in Glendale are urged to stay up-to-date on potential changes that could take effect in the coming days. However, there is no current disruption in service.

Some Glendale bus lines are serviced through a contract with the city of Phoenix. Labor negotiations are currently underway with one of the City of Phoenix contracted bus service providers, First Transit Inc., and the Amalgamated Transit Union (ATU) Local 1433 which represents bus operators. The ATU local 1433 is slated to vote on the agreement in meetings Dec. 29-30.

The Glendale routes that could be impacted are:

- 43<sup>rd</sup> Avenue
- 51<sup>st</sup> Avenue
- 59<sup>th</sup> Avenue
- 67<sup>th</sup> Avenue
- Grand Avenue Limited

The potential service disruptions will **not** affect the GUS, Dial-A-Ride or ADA service in Glendale.

The City of Glendale Transportation Department will continue to update residents on developments on the city's [website](#). Residents can also go to [www.valleymetro.org](http://www.valleymetro.org) or call (602)253-5000 to check on bus schedules.
