## SPECIAL EVENT TRAFFIC ADVISORY FOR JANUARY 27, 2018

**GLENDALE, ARIZ.**-On Saturday, Jan. 27, there will be two exciting events held in Glendale. University of Phoenix Stadium will host Monster Energy AMA Supercross and Gila River Arena will welcome Brad Paisley's Weekend Warrior World Tour. These events will bring more than 50,000 guests into the Glendale Sports and Entertainment District.

Plans have been developed and put in place to manage the traffic patterns near these facilities, however, drivers should expect heavier than normal traffic delays. Event-goers should also be aware of **this weekend's closures of westbound I-10 in Phoenix and should plan accordingly and allow for extra travel time.**

### **Weekend Travel Advisory: Westbound I-10 closed in Phoenix Drivers should plan ahead, use alternate routes to avoid delays**

- **Westbound I-10 closed between the I-17 "Split" near the airport and the I-17 "Stack" south of McDowell from 9 p.m. Friday to 10 p.m. Saturday, Jan. 27, for work to repair a deck joint above the Deck Park Tunnel. Westbound I-10 traffic will detour to northbound I-17 near downtown Phoenix. The southbound State Route 51 ramp to westbound I-10 will be closed.** Westbound Loop 202 traffic will have access to westbound I-10 but must exit at Seventh Street and use alternate westbound routes, including McDowell Road. Traffic entering westbound I-10 from the west end ramp at Sky Harbor Airport will be limited to accessing northbound SR 51 or eastbound Loop 202.
- **Westbound I-10 closed between 43rd and 59th avenues west of downtown Phoenix from 10 p.m. Friday to 5 a.m. Monday, Jan. 29, for construction at the Loop 202 South Mountain Freeway traffic interchange. The southbound I-17 off-ramp at McDowell Road and southbound I-17 ramp to westbound I-10 will be closed.** Consider exiting southbound I-17 at Thomas Road and going west to travel beyond the I-10 closure. **The westbound I-10 on-ramps at 27th, 35th and 43rd avenues will be closed. Westbound I-10 traffic exiting at 43rd Avenue can detour to westbound McDowell Road or Van Buren Street and re-enter I-10 west of the closure.**

### **GOOGLE MAPS – WAZE – APPLE MAPS**

The use of directional and mapping applications such as Waze and Google Maps when approaching the venues is not recommended as they may not consider special event traffic management measures, including temporary travel lane restrictions, road closures, ingress/egress traffic control for each venue and special access routes dedicated to each parking lot. As such, the use of directional and/or mapping applications may result in a longer commute to your event venue.

### **Know before you go!**

Fans should check event venue websites for prohibited items, bag specifications and venue policies.
