## **FREE KIDS HOCKEY EVENT INVADES BONSALL PARK**

*Families Invited to Youth Engagement Outreach Event as Part of Upcoming Playground Build*

**Glendale, Ariz.** — The City of Glendale Parks, Recreations and Neighborhood Services Division announces a fun youth engagement outreach event on Saturday, Nov. 22 as part of the upcoming KaBOOM! Playground project.

The City of Glendale, the Arizona Coyotes Foundation and the KaBOOM! nonprofit agency have teamed up to build a new exciting playground at Bonsall Park in December. As part of the project, children ages 4-14 can attend a free youth engagement outreach program hosted by the City of Glendale. The event will feature hockey mini-clinics, hockey games and other fun events provided by Desert Hockey Development and the City of Glendale. The outreach event will be held at the Bonsall Park near the hockey rink on Saturday, Nov. 22 from 2-4 p.m. Attendees can also learn about the upcoming KaBOOM! Power Play playground.

The KaBOOM! Power Play design will be constructed in one day on Dec. 8 at Bonsall Park, 59th Avenue and Bethany Home Road with the help of nearly 200 volunteers. Registration is now being accepted if you are interested in helping! The Power Play design features a tire swing, rock wall climbing area, slide, monkey bars and several other fun features.

KaBOOM! is a national nonprofit organization dedicated to giving kids the childhood they deserve by bringing play to those who need it most. The Arizona Coyotes Foundation "seeks to enhance the quality of life throughout Arizona communities by supporting non-profit organizations that promote healthcare, education and cultural arts programs for children and service men and women."

The youth engagement outreach is free but participants need to register to participate in the hockey clinics. Registration can be done online at the [Desert Hockey Development page](#).
